Unsuitable extinguishing media	: None known.
5.2. Special hazards arising from	the substance or mixture
Fire hazard	: Products of combustion may include, and are not limited to: oxides of carbon.
5.3. Advice for firefighters	
Protection during firefighting	: Keep upwind of fire. Wear full fire fighting turn-out gear (full Bunker gear) and respiratory protection (SCBA).
<b>SECTION 6: Accidental release</b>	measures
6.1. Personal precautions, protec	tive equipment and emergency procedures
General measures	: Use personal protection recommended in Section 8. Keep unnecessary personnel away from the release.
6.2. Environmental precautions	
No additional information available	
6.3. Methods and material for con	tainment and cleaning up
For containment	: Contain and/or absorb spill, then place in a suitable container.
Methods for cleaning up	: Small spills can be mopped up with cloth or paper. Thoroughly wash the area with water after spill or leak. Spill area may be slippery.
6.4. Reference to other sections	
See section 8 for further information on p	rotective clothing and equipment and section 13 for advice on waste disposal.
<b>SECTION 7: Handling and stora</b>	age
7.1. Precautions for safe handling	
Precautions for safe handling	: Avoid breathing Vapours. Avoid contact with eyes. Do not swallow. Handle and open containe with care.
Hygiene measures	: Not applicable.
7.2. Conditions for safe storage, i	ncluding any incompatibilities
Storage conditions	: Keep out of the reach of children. Keep container tightly closed and in a well-ventilated place. Store at room temperature. Keep from extreme heat and freezing.
7.3. Specific end use(s)	
Not available.	
<b>SECTION 8: Exposure controls</b>	/personal protection
8.1. Control parameters	
No additional information available.	
8.2. Exposure controls	
Appropriate opgingering english	
Appropriate engineering controls	No special precautions required.     None precessary under normal conditions of use
Hand protection Eye protection	<ul> <li>None necessary under normal conditions of use.</li> <li>None necessary under normal conditions of use.</li> </ul>
	: None necessary under normal conditions of use.
Skin and body protection	
Skin and body protection Respiratory protection	•
Skin and body protection Respiratory protection Environmental exposure controls	<ul> <li>None necessary under normal conditions of use.</li> <li>Maintain levels below Community environmental protection thresholds.</li> </ul>

Other information

: Handle according to established industrial hygiene and safety practices.

### SECTION 9: Physical and chemical properties

1. Information on basic physica
nysical state
opearance
olour
dour
dour threshold
1
elative evaporation rate (butylacetate=1
elting point
eezing point
piling point
ash point
uto-ignition temperature

#### Safety Data Sheet

according to the Hazardous Products Regulations (HPR) WHMIS 2015

с с	
Decomposition temperature	: No data available
Flammability (solid, gas)	: Not flammable
Vapour pressure	: No data available
Relative vapour density at 20 °C	: No data available
Relative density	: 0.945
Solubility	: Soluble in water
Partition coefficient: n-octanol/water	: No data available
Log Kow	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: 9,500-13,500 cps @ 25.0 °C spindle 6 @ 12 RPM when made. Viscosity may decrease over time.
Explosive properties	: No data available
Oxidising properties	: No data available
Explosive limits	: No data available
9.2. Other information	
VOC content	: 0.5 %

SECTION 10: Stability and reactivity		
10.1.	Reactivity	
No dan	gerous reaction known under conditions of normal use.	
10.2.	Chemical stability	
Stable u	under normal storage conditions.	
10.3.	Possibility of hazardous reactions	
No dan	gerous reaction known under conditions of normal use.	
10.4.	Conditions to avoid	

Heat. Incompatible materials.

#### 10.5. Incompatible materials

Strong oxidizing agents.

#### Hazardous decomposition products 10.6.

May include, and are not limited to: oxides of carbon.

SECTION 11: Toxicological information		
11.1. Information on toxicological effects	\$	
Acute toxicity	: Not applicable	
Skin corrosion/irritation	: Not applicable	
Serious eye damage/irritation	: Not applicable	
Respiratory or skin sensitisation	: Not applicable	
Germ cell mutagenicity	: Not applicable	
Carcinogenicity	: Not applicable	
Reproductive toxicity	: Not applicable	
Specific target organ toxicity (single exposure)	: Not applicable	
Specific target organ toxicity (repeated exposure)	: Not applicable	
Aspiration hazard	: Not applicable	
Symptoms/injuries after inhalation	: None under normal use. May cause slight irritation.	
Symptoms/injuries after skin contact	: None under normal use. May cause an allergic skin reaction in sensitive individuals.	
Symptoms/injuries after eye contact	: Causes serious eye damage. Symptoms may include discomfort or pain, excess blinking and tear production, with marked redness and swelling of the conjunctiva. May cause burns.	
Symptoms/injuries after ingestion	: Not a normal route of exposure. May be harmful if swallowed.	

SECTIO	ON 12: Ecological information	
12.1.	Toxicity	
Ecology -	general :	No known significant effects or critical hazards.
12.2.	Persistence and degradability	
PHOEN	IIX 3000 HAND CLEANSER	
Persiste	ence and degradability	Not established.

Other information

Safety Data Sheet according to the Hazardous Products Regulations (HPR) WHMIS 2015

12.3. Bioaccumulative potential		
PHOENIX 3000 HAND CLEANSER		
Bioaccumulative potential	Not established.	
12.4. Mobility in soil		
No additional information available.		
12.5. Other adverse effects		
No additional information available.		
SECTION 13: Disposal considerations	3	
13.1. Waste treatment methods		
Waste disposal recommendations	: Dispose in a safe manner in accordance with local/national regulations. Recycle empty containers where allowed.	
SECTION 14: Transport information		
In accordance with TDG		
TDG		
Not regulated for transport.		
SECTION 15: Regulatory information		
No additional information available.		
SECTION 16: Other information		
Date of issue	: 01/01/2016	

: None.
